ABOUT THE A'S: Split a two-game series with the Dodgers on Tuesday and Wednesday and are now 0-3-2 over the first five series of the season...this marks the first time the A's have not won one of their first five series of the season since 1998 when they started 0-3-2 before winning series number six...are 2-4 over the last six games but have lost six of the last eight...are 5-10 for the season...spent the first day of the season tied for first, the second day tied for second and every day since then in fourth (eight days) or tied for fourth (seven days)...this is the A's 51st season in Oakland where they have won 16 American League West titles, two AL Wild Cards, six AL pennants and four World Championships in their 50 seasons in Oakland...only the New York Yankees (18) and Atlanta Braves (17) have more division titles than the A's...since the A's moved to Oakland in 1968, only the Yankees (11) and Cardinals (8) have more league championships and only the Yankees have more world titles (7).

JACKIE ROBINSON DAY: On April 15, 1947, Jackie Robinson broke Baseball's color barrier when he made his historic MLB debut...throughout his Hall of Fame career, the Brooklyn Dodgers legend played an integral role in leading the movement for equal rights for all, and, in doing so, established a legacy that inspires future generations to this day...every year on April 15, our game honors Jackie's legacy by celebrating his life, values, and accomplishments...in proudly wearing "42", Baseball demonstrates a powerful, unified, tribute to the Jackie Robinson legacy...this year marks the 73rd anniversary of Jackie Robinson signing his first professional contract with the Brooklyn Dodgers organization in 1945, which was the first step toward his eventual breaking of the color barrier.
