HISTORY OF TEMPE DIABLO STADIUM

Tempe Diablo Stadium (1968) is now the oldest ballpark in the Cactus League after Oakland moved out of Phoenix Municipal Stadium (1964) following the 2014 season. The ballpark originally hosted the expansion Seattle Pilots in 1969. The Pilots became the Milwaukee Brewers at the end of the 1970 Spring season. The Brewers played at Diablo through 1972 before moving to Sun City. The ballpark sat empty for four years before another expansion team, the Seattle Mariners, arrived in 1977. The Mariners left after the 1992 season for a new ballpark in Peoria. The Angels moved their spring camp from Palm Springs to Tempe in 1993. Diablo Stadium underwent renovations in 1992 and 2006.
