ROCKIES MANAGER BUD BLACK:

On if Dee Gordon's speed had anything to do with Senzatela's struggles in the first inning:

"I don't know in total. You've got to keep an eye on Gordon, but I would say no to that.

On if they said anything to Senzatela after the 1st inning.

"Well we coached. We said some things, sure. We talk to our players, and we talked to Antonio after the 1st inning. You can probably ask him. It was a baseball related conversation."

On if taking 2 out of 3 against the Mariners was step forward for the Rockies:

"I think so. We played well. I think all series our guys played hard. LeBlanc sort of had us handcuffed a little bit, and then we got a couple big swings. We fought back from a couple deficits today and took the lead, but overall I thought we played well. We've been playing well for a couple weeks now, so we've got to continue."
