- The Yankees trail the ALDS vs. Boston, 2-games-to-1...is their eighth time trailing an ALDS, 2-1; have forced a Game 5 four times and have won two of the seven series (2017 vs. Cleveland, 2001 vs. Oakland)...are 5-1 in potential elimination games since the start of the 2017 postseason...the Yankees dropped to 13-7 in ALDS Game 3's (5-3 at home)...the Red Sox have not won more than one game in six of their last regular-season series at Yankee Stadium since 9/27/16 (Boston won 2-of-3 from 8/11-13/17).
- Set a franchise record for runs allowed in a postseason game, previously a 15-2 loss in 2001 Game 6 at Arizona...was their largest margin of defeat in a postseason game (15R), the largest defeat by a home team in Major League postseason history...marked the sixth time they allowed at least 13R in a postseason game, and are 4-2 in the following game (each ensuing game occurred in the same series).
- Had their seven-game postseason home winning streak snapped...tied for the third-longest postseason home winning streak in club history (10 straight over 1998-2000, eight straight over 1927-36, seven straight over 1937-41)...had allowed 4R-or-fewer in a postseason club-record-tying nine straight home games (since 2012 ALCS Game 2 vs. Detroit).
- **RHP Luis Severino** (3.0IP, 7H, 6ER, 2BB, 2K) started and took the loss...exited with a 3-0 deficit...were the most runs allowed by a Yankee in a postseason game since CC Sabathia in 2012 ALCS Game 4 at Detroit (3.2IP, 6R/5ER), the most permitted at home since Orlando Hernández in 2000 ALCS Game 6 vs. Seattle (7.0IP, 6ER).
