

FOR IMMEDIATE RELEASE

September 4, 2018

2018 LCS AND WORLD SERIES MEDIA CREDENTIAL APPLICATION AVAILABLE TODAY

The media credential application for the 2018 World Series presented by YouTube TV and 2018 League Championship Series is now available on <https://credentials.mlb.com>.

This online form is the only acceptable application for 2018 LCS and World Series Media Credentials as no other application or request will be processed.

Applications must be completed by the Sports Editor or Sports Director and received by Major League Baseball no later than Thursday, October 4th. All applications must include a 1" x 1" hi-resolution photo (JPEG format) and valid e-mail address for each applicant. A coverage grid must also be completed within the application for each applicant to indicate which games they plan to attend. The system will not accept any applications that are missing a photo, e-mail address or a grid for any applicant.

Media members who have used the MLB Club Credentialing system to apply for a jewel event or regular season games in the past have access to the application by signing in with your e-mail address. If you have forgotten your password, you can obtain a new one by clicking the "Reset Password" option on the MLB Credentialing System homepage.

Media outlets that have not previously applied online for MLB credentials must contact the MLB Communications Department at (212) 931-7884 or via e-mail at credentials@mlb.com in order to gain access to the site.

PLEASE NOTE FOR TIEBREAKER GAMES, WILD CARD GAMES AND DIVISION SERIES: Any media member wishing to cover either the Tiebreaker Games, Wild Card Games presented by Hankook and/or the Division Series should access each contending Club's Tiebreaker, Wild Card Game and Division Series applications at <https://credentials.mlb.com>. These applications should be submitted separately from the LCS and World Series application. Media members must adhere to the deadlines set forth by each individual Club for Tiebreaker, Wild Card Game and Division Series credentials.
