2016 HIGHLIGHTS:

- Was one of nine AL pitchers to toss 200+ innings, finishing 7th with 204.0...Led the club in innings, strikeouts and T1st in games started (Happ)...Became the first pitcher 5'8" or shorter to toss 200+ innings since Fred Norman threw 221.1 in 1977 for the Cincinnati Reds.
- Lost his final five decisions over six starts despite quality starts in five of the six...Club had been shutout in three of five and scored just two runs while he was in the game over his last five starts.
- Ranked 1st in MLB for groundball percentage (60.1%)...In fact, hitters have a groundball percent of 64.7 on the first pitch of at-bats this year - the highest mark among starting pitchers in baseball.
- Since July 1 (16 starts) posted a 3.42 ERA (39ER/102.2 IP), allowing one earned run or less six times and two earned runs or fewer in nine of those outings...Had a BB/9 of 2.02 over his last 16 starts (since July 1), issuing more than two walks only twice...Prior to the beginning of July had a 5.33 ERA (60ER/101.1 IP) over his first 16 starts of the year.
- Since the All-Star break limited hitters to a .200 average with RISP...Issued only four walks to the 87 batters faced with RISP...Comparitvely, in the first half of the season with runners in scoring position allowed a .340 opposition average, while issuing 16 walks, T-4th most in majors.
- Sept. 24 vs. NYY, tossed seven scoreless innings allowing just one hit, was the second time in his career to go 7.0 innings while allowing only one hit (July 24, 2014 vs. BOS).
- August 1 at HOU struckout a career-high 13, allowing just 1ER on three hits...Did not factor in the decision as the club would lose 2-1 in 14-innings...Marked the first 10+ strikeout game of his career...Was one of four games to allow three hits or less in 2016.
- Won nine straight decisions from Sep 20, 2014 (10 straight including postseason) to May 1, 2016...Was the longest streak by a Blue Jay since Roy Halladay won a franchise-record-tying (Clemens-2003) 15 straight decisions from May 1-July 27, 2003.
- May 1 at TB had a career-high nine strikeouts, most ever by a Blue Jays pitcher on their birthday.
- Matched his season-high with 8.0 IP July 20 at ARI (5th time, last: July 6 vs. KC)...Had a groundball percent of 79.2 (19/24) in the outing...Did not issue a walk when tossing at least 8.0 IP for the 2nd time in his career (last: Sept. 8, 2014 vs. CHC).
- In the season opener at TB on Apr. 5 (W, 8.0, 6H, 3ER, BB, 5K) came within three outs of joining Jack Morris in 1992 as the only TOR starters with a CG on Opening Day...At 8.0 IP, tied Pat Hentgen in 1997 for the 2nd longest start by a Jay on Opening Day...At 24 years, 338 days is the youngest starter to go at least 8.0IP on Opening Day since Felix Hernandez in 2009 (22 years, 363 days) & the youngest to pitch into the 9th frame since Mark Mulder in 2002 (24 years, 239 days).

FOR OPENERS:

- Became the 3rd youngest pitcher (24.338) to make an Opening Day start for TOR...Drew Hutchison (24.227) was the youngest in 2015 with Todd Stottlemire (24.324) being 2nd youngest in 1990...At 5'8", he was the shortest Opening Day starting pitcher since 1971 - Tom Phoebus, San Diego (also 5'8").
- Became just the 2nd pitcher in Blue Jays history to start a Season Opener and a Home Opener in the same season vs. BOS on April 8 (Jimmy Key - 1989)...In that start had a 7-2 lead heading into the 6th inning before loading the bases with one out...Reliever Jesse Chavez came on and allowed a grand slam to Brock Holt, leading to an eventual 8-7 loss.

POST SEASON:

- Started three games last season, two in ALDS and one in the ALCS...Picked up the win in Game Three of the ALCS vs. KC...Allowed just 5ER over 13IP in his two starts vs. TEX in the ALDS.
