

Philadelphia Phillies 2008 National League Division Series Credential Application

The credential application for 2008 National League Division Series games involving the Philadelphia Phillies at Citizens Bank Park is available online at www.mlbpressbox.com or credentials.mlb.com.

Applications for Division Series games *at other ballparks* may also be obtained by logging on to www.mlbpressbox.com or credentials.mlb.com. A separate application must be filled out for each city in which you would like to request credentials. Credentials for games played at Citizens Bank Park are *not* acceptable at other team's ballparks.

The application should be filled out only by the Sports Director or Sports Editor. We are accepting only one application per media outlet. Once the request is submitted, the system will not allow changes to be made.

Please be sure to note if you are applying for a credential for a specific opponent only (check opponent) or if you are applying regardless of opponent.

To obtain credentials for Division Series games to be played at Citizens Bank Park, please complete the online application by *Friday, September 19, 2008*. Applications will not be accepted after this date.

You will be notified by e-mail regarding the status of your request.

Credentials may be picked up the day before the first scheduled game in Philadelphia. A valid photo ID will be necessary to pick up credentials.

Major League Baseball is responsible for credentials for the National League Championship Series and World Series. Applications for those playoff rounds may be obtained online at www.mlbpressbox.com. The deadline for those applications is *Thursday, September 25, 2008*. For more information regarding the LCS or WS credential application, contact MLB's public relations department at (212) 931-7878.

If you purchased an individual phone line and instrument for the regular season at Citizens Bank Park, it will remain the same for the Division Series.

Wireless internet will be available in the press box. Almost every seat in the press box will be equipped with a high-speed connection; Ethernet cables will be available to purchase on-site for \$10 (cash only). There will be an ample supply of coinless phones (restricted to use by credit card, calling card or 800 number) in the press box.
